

HP Software Forum

2006 Session Archives Now Available!

For those who missed the chance to attend HP Software Forum in Miami last June, you can still “experience” the dozens of valuable and informative presentations that made up the 3.5-day conference program. Our post-conference DVD-ROM includes over 250 audio-synced presentations.

Order your DVD-ROM Today!

Purchase of a DVD includes password-protected access to the entire session archives through the web.
